

Reseller Agreement

This contract is made between “_____” (the Reseller) and “**NetGuarder**” (the Supplier). This contract shall run for six months with an optional review-able termination three months from the date of commencement of this contract or until such time as any one of the terms and conditions listed below is broken by either party.

Sales Commission Rates:

Supplier will pay Reseller a rate of ___% of the sales value of any Supplier volume generated by Reseller. This rate is the net of list price charged on the sale published by Supplier.

Marketing Material:

Supplier will authorize Reseller to use all Marketing Material conducive with carrying out the sale of NetWatcher on behalf of Supplier. Such items include, but are not exclusive of:

Reseller will transfer Supplier ___% of a signed sales number once a signed Order has been received from the client. After Supplier receives the payment, Supplier will release a unique NetWatcher license code to client and freely support client by phone and email. NetWatcher license code will generate and deliver to client only after Supplier receives the payment.

Any information shared between Supplier and Reseller is deemed confidential and should not be discussed or passed to any third parties without the prior written authorization of Supplier and Reseller.

This contract shall be reviewed every six months unless both parties feel an earlier review is necessary.
